ABOUT

While learning interface design in New Media Arts program at Kapi'olani Community College, I have been developing my foundation in design principles. I am constantly striving to pursue more creative design in the fields of digital art, visual communication, and web design.

EXPERIENCE

LOGO DESIGN | March 2024

- Collaborated with clients to create logo design for a new Japanese miso product.
- Adapted client needs, providing creative solution with clear communication.
- Used expertise in visual element for food, typography, balance of illustration and typography.
